Re: Shadowbrook Subdivision

I have reviewed complaints regarding speeders in the Shadowbrook Subdivision and spoke with a resident. Our recommendation is to reduce the speed limit to 25mph on all the roadways within this neighborhood. Specifically, the roadways to be changed are:

Greenleaf Ave
Ridgetop Dr
Shadowbrook Dr
Suffield Dr
Sawmill Ct
Pinnacle Pl
Merganser Dr

Thank you,

Re: Rock Haven Rd

The Sheriffs Office would recommend the speed limit on Rock Haven Rd be set at 20mph. This road is narrow and doesn't allow for vehicles to pass, in certain areas, without slowing. Also, there is no shoulder and there are multiple curves.

Thank you,

 RODGERS 31

Re: Lewis Downs and Walnut Downs Subdivisions

Only

The Sheriff's Office would recommend the speed limit for Lewis Downs Subdivision and Walnut Downs Subdivisions be set at 20mph. I have attached a petition from several residents on Ansley Kay Dr. Those residents have requested the limit be set at 20mph due to the high volume of vehicles parked on the roadway, children, and bicyclists in the area.

Additionally, I spoke with other residents in the neighborhood who were not petitioned. Many of them would like to see the speed limit set at 20mph.

I would support all the residents requests and recommend all the roads in the area be set at 20mph for uniformity.

Affected Roadways:

Rhonda Dr
Ansley Kay Dr
Emily Rae Ct
Augusta Dr
Alex Walker Dr
Sam Lewis Ln
Leonard Dr
Lewis Downs Dr
Renee Dr
Marston Way
Elyse Dr
Crowell Dr

* we do not have any of
Walnut Downs Sub.

Thank you,
